Answer to comments and suggestions on the PhD dissertation of

**BASHDAR ISMAEL MEENA**

entitled

**IRON AND MANGANESE COMPLEXES IN BIOMIMETIC CATALYTIC  
OXIDATIONS**

I am thankful to the worthy reviewer **Prof. Dr. István Pálinkó**, for his valuable comments and suggestions on my PhD theses and dissertation. I have answered these comments and suggestions of the reviewer in detail which helped me in producing a well-established final version of PhD theses and dissertation. After the submission of final hard copy of PhD theses and dissertation, the reviewer has no further comments on it.

I, once again profoundly thank the worthy reviewer for providing a comprehensive review on my PhD theses and dissertation.

**With best regards,**

PhD Candidate

Bashdar Ismael Meena
